my lesson in cheating

"Why are you on this website looking for someone to befriend." I asked. "Especially if you're married? Don't you love your husband? Don't you like spending time with him?" I continued. Blanca sounded so sad when she replied... "My husband's always with his friends. They do all sorts of stuff that never includes their wives. We've tried to convince them to spend more time with us and that's fine for a week, but then later they make plans that don't include us."

These conversations went on for several days before she finally got a chance to get away and hang out. We went out to see a show and then decided to head back to her place and snuggle up on the couch for a while. It wasn't too long after we'd curled up together that she fell asleep. She looked so peaceful, so comfortable. I didn't want to disturb her but I really had to pee, so I wiggled my way out and headed to the bathroom.

I went back to the couch to curl up with Blanca and she nuzzled her face into the crook of my arm. I couldn't help but kiss her forehead. She was so beautiful, and I kept wishing that she wasn't married. I knew I was crossing a

line just by kissing her forehead but I couldn't stop myself if I tried. There were so many mixed emotions and so many thoughts running through my mind that I decided to get back up and go out on the balcony for a smoke.

She woke up a few minutes later and found me sitting alone out on her balcony. I didn't even realize until then just how my face looked and I tried to play it off, hoping

she'd leave it alone. "It's nothing. I was just thinking, that's all." She didn't drop it though, and tried to pry even further.

"You can tell me. It's okay," she said.

It's not." I retorted. It's not okay, I thought to myself. None of this is okay. She's married. I shouldn't be feeling like this, but I do, and it hurts because I can't do anything at all about it. "I'm just a little confused about some things."

Blanca finally stopped asking and wrapped her arms around me, letting her head rest on my shoulder. I hugged her back, holding her tight to me and it took every ounce of energy I had in me not to bring her lips to mine... This "friendship" was tearing me apart, and there was nothing I could do about it...

Later that night, as we held each other in her bed watching some sappy romance flick, I'd realized that the only way this feeling was ever going to subside, or at least mellow out some, was if I got up the courage to finally make my move. I was careful not to disturb her or draw her attention as I took off my clothes and gently grabbed her hand. I pulled it slowly down

She was working the back of her throat, opening the way to get my whole seven inches as far as she could into her mouth.

to my already-hard cock and helped her hand encircle it.

I let go and it stayed there. Then I slid my hands up her t-shirt, taking both her nipples between my thumbs and fingers as my lips made their way across her neck. This woke her up and as she turned to me, she realized her hand was on my cock and I was naked. "Jake, what did you do, what's going on here?" she asked as I grabbed the hand on my cock and held it there. She didn't resist as I got rock hard just imagining what could happen.

I trailed more kisses down her neck and took her shirt off of her, tossing it aside and wrapping my lips around her hard and perky nipples. They were so round, so perfect. I looked her dead in the eyes as my free hand roamed its way down her tummy, into her panties, finding her warm, wet, juicy pussy. I slipped my fingers between the nice smooth folds and across her clit, making her body jolt a little. As guilty as I felt for wanting a married woman, I didn't feel guilty when I saw that she wanted it too. For a moment, the concept scared me, but only for a moment.

Blanca got on her knees and shuffled across to my side of the bed to find cock was standing straight up. She leaned forward

and kissed my nipples, then her mouth worked its way down past my navel, her tongue licking my skin on the way down. Suddenly, I felt her warm breath on the head of my cock, followed by a swipe of her tongue on the sensitive underside. My cock jerked in response. Her mouth engulfed my cockhead and her tongue and lips joined in a slurping and sucking routine.

My hands came down to touch her hair and massaged her scalp as her mouth and tongue became more active. My hands took a hold of her head, keeping her there but not wanting to scare her by gripping her head too hard.

Then she took hold of the base of my cock with one hand while her other hand guided it deeper into her mouth.

It slid across her tongue, her mouth stretched wide to accept it. The knob reached the back of her throat and she gagged briefly, but didn't remove it. She just held it deep inside her mouth and her tongue began sliding along his length, slurping greedily.

Blanca became accustomed to the feel of me in her mouth, testing her gag reaction. After two or three minutes lying still in her mouth, my guiding hand pushed my cock slightly further in. She was working the back of her throat, opening the way to get my whole seven inches as far as she could into her mouth.

I let out a long sigh, my hands at the back of her head just holding it steady. I wanted to push my cock deeper and pushed hard into her throat. Two or three more minutes went by, then suddenly she drew back her mouth and I began to slip out. I stiffened my hands at her head, trying to hold her mouth onto my cock.

Then, with only the top of my head still held between her moist lips, and to my utter delight, Blanca started to slide her mouth back over my shaft again. Her lips

I expected her to pull her mouth straight off my cock, but to my amazement Blanca resumed trying to get her lips right down to the base of my shaft.

went almost to my balls before she withdrew again. Her rhythm increased. I was impressed. She was good at it, all tongue and lips, particularly on the underside of my cock and balls. All too soon I felt my cock tensing, preparing for release.

I tried to think of a bunch of non-sexual things, attempting to nullify the stirring sensations that her lips and tongue were applying to my hard cock. I muttered a moan and she sensed that my time was close. Her sucking mouth and licking tongue had so expertly aroused me that I was on the brink. Just a few more strokes will do it. I expected her to pull her mouth straight off my cock, but to my amazement Blanca resumed trying to get her lips right down to the base of my shaft.

She intensified her effort to bring me off. It only took two more thrusts by me deep into her mouth, hitting her palate with my cock head. I felt pleasure surge through my organ – and then the warm creamy liquid spurt to the back of her throat. She couldn't help gagging but she managed to quickly overcome it in time to feel the second spurt. I poured enough cum into her throat that she had to swallow. She gulped it down as the third spurt launched from my cock to splash the back of her throat again.

My cock pulsed and sprayed its contents deep into Blanca's sucking throat. Slowly, she pulled her mouth back off my shaft. My cock slipped from the grip of her lips with a pop. She pressed forward again to lay a sweet kiss on the tip of my organ, her tongue wiping up the last strands of cum.

We rested for twenty before I positioned myself above her, ready to take her like I'd dreamed of doing for such a long time. Her eyes widened further in anticipation. She opened her legs further inviting me in, and I obliged. Blanca's tight pussy wrapped around me like a blanket, warm and cozy,

and oh so sexy. I slammed myself in and out of her, splashing her juices all over me as she squirted again and again from her little mini-orgasms. My fingers brushed her clit as I stared into her eyes. My lips met hers as our bodies seemed to melt together.

I felt myself growing thicker and harder with each and every stroke and as I built up, she tightened around me, as if she felt exactly what I was feeling. She looked me in the eyes as I fucked her deeper and harder, so close to going over the edge. I felt her pussy pulse around my throbbing hard cock as I pushed one last time deep inside of her, emptying myself into her hole. Her legs squeezed and held me there as she convulsed and groaned one long groan. I wrapped my arms around her and kissed her as passionately as I could.

Blanca and I have continued our trysts for several months now and each time it seems to get more and more intense. What's interesting is that she said her husband is enjoying sex with her even more and he has stayed home a bit more often. I'm not jealous about that. As a matter of fact, I have to pat myself on the back for helping bring some life back into their relationship. Seems to me that she's burning the candle at both ends and loving it!

double dicked without a dick

An all-natural beauty with a lean, toned body, Remy could have easily built a career as a mainstream runway model. But her hyper-charged sex drive and perpetually wet pussy pushed her to make a different career choice. "I knew porn was the right choice for me as soon as I turned 18," Remy explains. "I blew my guidance counselor on Career Day. It was like a sign from above!" Or an omen delivered via an old man's salty load.

Ashley & Luna

How long does it take two girls to get together for some hot loving when they are just sitting around in their undies. Oh, we say about fifteen minutes. Believe us, there have been studies made on this, and we believe them. First it starts with their tops, then a little breast kissing, then the panties come off and there's a little clit licking. Then one gets horizontal and then both. Slowly, they fondle and lick and, finally, they cum. It's been proven!

Two uninhibited blondes with gorgeous bodies.
Here I find myself involved in an awesome threesome with
two gorgeous women.

a gallery of sexual delights

Last spring I met a lady from Jacksonville who said she was in the process of developing a new golf course around Pensacola. She said she liked how I handled my job as landscaper and asked if I would partner in landscaping the new course. I could hire local help as long as I oversaw the projects. That was last year and Brandi, and I have been successful beyond her expectations.

However, now she has tried to start a non-business relationship with me. For many reasons I do not want one. She is an attractive woman, just the kind that would be far too into a serious relationship, and with being in a business together, things could get all messed up pretty quick. I'm in my mid-twenties, don't know what my future will hold, have been called handsome, and blessed with an eight inch cock that many women have always loved. I have told Brandi that I don't want a relationship with her, yet she keeps trying.

Brandi has a boarder, Alyssa, just out of college, who has a very nice body and pretty face. She is tall with full, firm (I assume, not having touched them) breasts and has a sexy way about her. She always has a date and many guy friends

that come around. I had noticed her body but never thought of her in any other way than my partner's boarder. Now, Alyssa's moved into Brandi's house because she just broke off a bad relationship. Brandi still works at home so I'll often drop off some of our business' paperwork for her to review at home.

I stopped by one morning to drop off files from the last week. I al-

ways call ahead because it's the polite thing to do. Today, Alyssa answered the phone and told me it was okay to come over. I came in and she offered a cup of coffee and sat down with me at the kitchen island.

Shortly afterwards she asked if she could ask me something without offending me. Of course, I said, and then she asked me if I was dating Brandi. I said I was not and had no intention of doing so. She said Brandi sometimes leads others to think that she is in a relationship with me. I told her that's been an ongoing problem, but I have told Brandi many times that would not happen.

We paused the conversation and each took a sip of our drinks. I asked about her boyfriends and she said she was just about over men. She said every guy she sees wants a relationship and she doesn't. I asked her why she would go out with them if she did not want a relationship. She said she hoped I did not think badly of her, but she really loves sex. I did not know what to say, other than I can understand and who doesn't like it. We each took another awkward sip and momentarily avoided eye contact.

BLAIR-NTS-00

Then she looks directly at me and asks if I'm sexually active. I thought very hard, feeling she could be fishing for info on Brandi. She could see my hesitation and let me know this was only between us! I felt better about that, and let her know I have had sex with a couple women lately but run into the same issues as she has. She laughed and said both of us just wanted fuck buddies. I laughed and said that'd be perfect for me.

Again the awkward pause and then she said the two of us should be fuck buddies. Like the movie Friends With Benefits, she said. You know, no love, no commit-

very sexy, handsome and quite fuckable. I froze and did not know what to say. Fuckable? She stood up, walked over to me and started kissing me. I stopped her and said we shouldn't do this. She was not having that, she kept kissing me and slid her hand down on my now growing cock.

She stopped kissing me and takes her top off and tells me how much she wants to suck my cock! I looked at her perfect firm breasts with perfectly tanned areolas. Then she dropped to her knees and had my pants open and cock out in no time. When she saw it, she gasped at my fully hard rod

that and stood up, and I had my hands all over sexy body. It was incredible to enjoy her sexy body. I picked her up and set her on the kitchen table. She asked me to be careful with that big cock and go slow. I laughed and told her it wasn't big cock time yet, and I had to taste her sweet little pussy.

I lifted her legs up, and started on her shaved pussy. She was enjoying it, and kept talking dirty and sexy. I stood up with my big hard cock and aimed it at her small hole. She warned to be gentle and go slow. I eased it slowly into her, being gentle, taking my time working more of it in. Finally I had

ment, no relationship, just sex.

I swallowed long and hard and fake laughed at what she said, thinking she was joking, but she looked at me with big doe eyes and I quickly had to regroup. I told her I laughed because it's not that I wouldn't want to fuck her, or that I did not find her attractive. I told her she is very sexy, and if things were different it would be a great idea. Then she said she found me

saying it's the biggest cock she has ever touched. She starts slowly working my cock over, talking dirty and telling me how much she loves cock. As she keeps working on it, she told me to strip, and how much she loves being naked. She gets her shorts off and never stops on my cock.

I was trying my hardest not to cum too soon and pulled my cock away for a bit. She knew why I did

most of it inside of her. I started working full strokes in and out of her, as her pussy stretched wide to take me in.

As she became comfortable, she told me to make that pussy of hers moan; how much she loves a big cock, and I could do what I wanted with her, and she would do anything I wanted! Then she jumped off my cock and bent down to suck it more and lick

my balls. Then she took me by the hand and led me to the living room where she got on her knees and told me to get that cock back inside her. We fucked and sucked for two hours and two orgasms – each. We crashed back on the couch and from time to time she would suck my cock some more, and telling me how much she loves sucking my cock.

Trying to get me hard again was her goal, but I was going to need some rest. We talked some more

she told her I had a big cock, and she wants to experience one.

The next night comes around and they both show up. Alyssa introduces her friend Corrie, and immediately says we all should get naked. Her friend was hot and sexy; she was shorter and had a firm, young body with nice large breasts. I notice her friend checking out my cock so I move over and kiss Alyssa and start rubbing her body as her friend watches us. In no time Corrie grabs my

licked Corrie, Alyssa, moves her mouth in to have a taste. I moved my cock up to her mouth and she just started sucking on it. Eventually we all fucked and sucked till we crashed. The girls spent the night.

In the morning the girls woke up and went to make breakfast. I got up and went downstairs. I heard something in the living room and as I walked in, I see them eating each other out on the sofa. I walk over and offer my cock to Cor-

about being fuck buddies and since that day we see each other about every other day. We have talked about fantasies; hers is to lick pussy, but has not brought it up to her girlfriends. I told her I would love two women at one time, enjoying my cock. She said we should work on those. That next Friday when she comes over, she tells me she has a girlfriend who wants to get together with us. I could not believe my ears, as she has set it up for Saturday night – tomorrow night. She said she got her friend to join us after

cock and starts to stroke it. They both drop to their knees and start working on it together.

After several minutes, my knees started to buckle so I suggested that we all move to the bedroom. We all got in bed and I had Corrie on her back licking her pussy, and Alyssa gets behind my ass and pulls my cock back to suck it, every now and then licking my ass. Alyssa asked me if I liked her friend's pussy and I said it was delicious. She then moves up to watch me lick her friend. As I

rie's mouth and she goes back and forth between my cock and Alyssa's pussy. Then she takes my cock and puts it in Alyssa's pussy and I start pounding it into her. I was ready to cum and Corrie pulls me out and drains my cum into her mouth. Then they went back to licking each other to climax.

They finished up and we all cooked breakfast. I tell them I'm the luckiest guy to have two hot sexy girls as friends with great benefits. We vowed to keep this between us and never tell her Brandi.

Ellen & Iveta

Hi there guys. I want to tell you a little about Iveta. I don't know what initially attracted me to her. Maybe it was her personality, vivaciousness, or the sexuality she exuded. Whatever it was turned out to be strong attraction and I acted on it. Her blonde hair and large boobs were great to look at and play with, because I'm a boob girl. I would play with mine a lot, so when another's girls boobs are near me, I'll check them out!

These two have to be the hottest and freakiest girls on campus. They've invited a friend to photograph them playing around. It's something they wanted to do since each just split with their boyfriends and wanted to send them these pictures to show what they're going to be missing. Ah, there's nothing like a really revealing photo shoot!

Danielle

I just turned nineteen and it's like all of a sudden all these sexual urges kicked in. I wanted to experiment with different things and I asked my good friend Alex to come over and play with me. I told him I wanted to fool around "back there!". He smirked, then laughed and said he'd bring a cute butt toy. I couldn't wait when he got here. I snatched it from his hand stuck it in my butt. At first I didn't know what I was feeling... but then I got used to it and it felt wonderful.
